*Book a Paint Party!*

You'll create cherished memories & your very own masterpieces. Gather a few friends, and leave your cares behind for a stress-free evening. All materials and instruction provided, while you relax and paint. Call now to schedule.

**DESIGN. CREATE. INSPIRE.**

## About the Artist

Diana Beamon's family tree includes a quilter, woodworker & a seamstress. Crafting is rooted deeply in her life. She's been designing crafts to make people smile since she was 10 and has an artistic eye for turning the ordinary into art. Now her customers return to her for every occasion.

She is currently transforming her family's farmhouse into the ultimate craft store—where every room features a different theme of treasures.

*Farmhouse Creations*  
*Design. Create. Inspire.*

***Décor that gets folks talking!***
